Instructions:

- 1) One plot plan (site plan) must be submitted with the zoning permit application showing the following information.
 - a) The size of the lot.
 - b) Existing main structure (including if applicable rear or side porch, side deck or rear deck). Show the driveway entrance to the street. List the street name on the plan. If a corner lot show both streets.
 - c) Existing accessory structures (sheds, swimming pools, detached garages, and gazebos) with distances to the side line, rear line, and main structure.
 - d) Location of stream, if applicable.
 - e) New accessory structure or shed and how it is located in relation to the main structure, stream (if applicable). Provide distance from the new structure to the closest rear property line, closest side property line, and closest house line. Also show distances from the improvement to stream (if applicable).
- 2) A zoning permit fee is \$ 50. Make the check payable to the Township of Nether Providence.
- 3) This is an application. It must be reviewed by Code Officials for conformity to the Township's Codes. If the proposed accessory structure conforms to the Township's Codes a permit will be issued within 15 working days from the date of receiving a complete zoning application. No permit will be issued within the first 36 hours of receipt by the Township staff.
- 4) The applicant --contractor/ homeowner/ tenant-- is responsible for the accuracy of the information contained in this application and the plot plan. If the permit is issued based on incorrect building setback dimensions, incorrect building size, or missing structures and waterways the Township may rescind the permit. All expenses incurred as a result of a misrepresentation are borne by the applicant.
